

The Benjamin Castleman Award

Sponsored by the
MASSACHUSETTS GENERAL HOSPITAL and
UNITED STATES AND CANADIAN ACADEMY
OF PATHOLOGY

The **Benjamin Castleman Award** is granted for an outstanding paper in the field of human pathology published in English. Selections made by the Benjamin Castleman Award Committee will be based on the merit of the submitted paper, not on the entire career of the author. Please do not include additional supporting papers. Any optional information or letters from sponsors should be focused on the paper, not on the author's qualifications. The 2021 award will be based on papers published during the twelve months preceding the application deadline. The subject may represent any topic in pathology, but must be directly relevant to human disease. On papers with multiple authors, only one author is eligible, and only one paper per author may be submitted.

The Awardee must be a pathologist or a pathology resident or fellow who has not yet reached their 40th birthday at the time the paper is published. Papers by pathology trainees are encouraged. The prize will consist of a check for \$1,500 and a certificate. The Awardee will receive complimentary registration to the 2021 Virtual Annual Meeting.

Applicants should complete the application form available on the USCAP website at www.uscap.org/CastlemanAward and electronically submit the form along with a PDF reprint (or preprint) of their manuscript.

This award, financed by contributions to a fund established by former students and trainees of Dr. Castleman, will be presented online during the **2021 Virtual Annual Meeting, March 13-18, 2021.**

Application must be submitted by: Friday, October 9, 2020

Previous Awardees

- 2020 Jonathan C. Dudley
- 2019 Sanjay S. Patel
- 2018 Nicholas P. Reder
- 2017 Carlos A. Murga-Zamalloa
